Cash deposits at the banks shown are obligations of those banks. The deposit amounts are not direct obligations of ours and are not securities. SIPC does not cover customer cash balances held in banks covered by FDIC insurance - FDIC insurance applies instead. You are responsible for monitoring the total amount of deposits you have at each bank if you have deposits held there outside of our Insured Deposit Cash Sweep Account Program ("Program"), to determine the extent of FDIC insurance available to you. Each day, interest is calculated on the applicable balance and the daily interest amount is rounded to the nearest mil (\$0.001). Therefore, no interest may be paid if the daily calculated amount is less than half a mil. Interest is paid out and posted once a month, generally in the third week of the month. The interest rate paid under the Program on cash investments in your account may vary or there may be no interest paid if your account is introduced by a broker partner who has a separate agreement with us for your account. The "Month End Cash Balances" figure includes only settled cash on deposit. FDIC holdings reflected in your brokerage account are FDIC insured up to applicable limits and held by one or more banks ("Program Banks"). Your current balance in the Program can be remitted to you upon request; fees may apply. We may, without your prior affirmative consent, modify our current Program, stop offering a Cash Sweep Account Program, change the product to which the cash in your account is automatically swept, or change the mechanism by which it is swept. For information about FDIC insurance and its limits, our participating banks as well as other important disclosures about our Program, refer to the Customer Agreement or visit our website alpaca.markets under the disclosure library "FDIC Bank Sweep Program".
